PUBLICATIONS OF THE MAX SCHLESSINGER MEMORIAL FOUNDATION

The Max Schloessinger Memorial Foundation was established from the bequest of Dr. Max Schloessinger and Mrs. Miriam S. Schloessinger in order to facilitate the publication of Arabic texts, as well as studies devoted to Islam, Arabic language and literature, and Middle Eastern history.

The Max Schloessinger Memorial Foundation publishes *Jerusalem Studies in Arabic and Islam* (JSAI), a peer reviewed, international journal devoted to the study of classical Islam, Islamic religious thought, Arabic language and literature, the origins of Islamic institutions, and the interaction between Islam and other civilizations.

In addition to JSAI, the Max Schloessinger Memorial Foundation also publishes three series: Monographs; Texts and Critical Editions; and Collected Studies in Arabic and Islam.
